## ABOUT THE COMPANY

IC Solution (ICS) is a digital service provider that aims to provide software, designing and marketing solutions to individuals and businesses. At ICS, we believe that service and quality is the key to success

We provide all kinds of technological and designing solutions from Billing Software to Web Designs or any custom demand that you may have. Experience the service like none other!

Some of our services include:

Development - We develop responsive, functional and super-fast websites.

We keep User Experience in mind while creating websites. A website should load quickly and should be accessible even on a small view-port and slow internet connection.

Mobile Application - We offer a wide range of professional Android, iOS & Hybrid app development services for our global clients, from a start up to a large enterprise.

Design - We offer professional Graphic design, Brochure design & Logo design. We are experts in crafting visual content to convey the right message to the customers.

Consultancy - We are here to provide you with expert advice on your design and development requirement.

Videos - We create a polished professional video that impresses your audience.

## OVERVIEW OF THE PROJECT

**Project Name:** Website for Sri Maruthi Pharma

**Team Members:** Veena J(1HK18CS167)

Chaithanya K(1HK18CS040)

Snehalatha A(1HK18CS146)

Supriya R(1HK18CS152)

This project is based on Web Development And its Applications. The main objective of this project is to learn the implementation of HTML, CSS and JavaScript. The basic webpage of this project is created using HTML and styling of the webpage is done using CSS.

This webpage is about Sri Maruthi Pharma located in Chamrajpet,Bangalore

## **About Sri Maruthi Pharma**

Sri Maruthi Pharma in Bangalore is one of the Leading business in Surgical Equipment Dealers, Pharmaceutical Product Distributors, Medical Equipment Dealers, Pharmaceutical Distributors, Surgical Item Dealers, Medicine Distributors, Medical Product Dealers, Generic Medicine Wholesalers and much more...

## **Services provided by Sri Maruthi Pharma**

### **Chemists**

Scientist trained in the study of chemistry. A shop where you can buy medicine, soap, etc.

### **Surgical Equipment Dealers**

Nonexpendable apparatus used during surgical procedures. Surgical Equipment. Nonexpendable apparatus used during surgical procedures. They are differentiated from SURGICAL INSTRUMENTS, usually hand-held and used in the immediate operative field.

### **Pharmaceutical Product Distributors**

For drug manufacturers, pharmaceutical distributors are the important link between products and the pharmacies, health care providers and patients who need them.

### **Medical Equipment Dealers**

Medical equipment repairers, also known as biomedical equipment technicians (BMETs), repair a wide range of electronic, electromechanical, and hydraulic equipment used in hospitals and health practitioners' offices.

## **Pharmaceutical Distributers**

For drug manufacturers, pharmaceutical distributors are the important link between products and the pharmacies, health care providers and patients who need them.

## **Pharmaceutical Product Manufacturers**

Pharmaceutical manufacturer means any entity which is engaged in the production, preparation, propagation, compounding, conversion, or processing of prescription drugs, whether directly or indirectly by extraction from substances of natural origin.

## **Medicine Wholesalers**

Medical supplies are usually understood to mean articles which are low-cost, disposable, and used in high enough volume that the purchasing department has standing orders in place to ensure that the items of interest

## **Surgical Face Mask Dealers**

A surgical mask, also known as a medical face mask, is a personal protective equipment worn by health professionals during medical procedures.

## **N95 Face Mask Dealers**

The N95 respirator is the most common of the seven types of particulate filtering facepiece respirators. This product filters at least 95% of airborne particles but is not resistant to oil-based particles.

## **Medicine Distributors**

Distributors continuously monitor, protect and enhance the security of the pharmaceutical supply chain to ensure medicines are properly and securely handled, stored and delivered.

## **Generic Medicine Distributers**

A generic drug is the same as the brand-name drug in active ingredient, conditions of use, dosage form, strength, route of administration, and (with certain permissible differences) labeling.

## **Pharmaceutical Product Wholesalers**

Wholesale distributors purchase the drugs (and other equipment) from pharmaceutical companies, store them in warehouses and other holding facilities, and sell them to pharmacies, etc.

## **TOOLS USED**

### **Software Requirements**

- Visual Studio Code 2019.
- Google Chrome or Microsoft Edge of latest version.
- Front End & Back End: HTML, CSS, JS (optional), express, MongoDB, NodeJS
- Linux 7.1 or Windows XP/7/8/10 OS or Mac OS

### **Hardware Requirements**

- Pentium 200-MHz computer with a minimum of 64 MB of RAM (128 MB of RAM recommended).
- Monitor with a refresh rate of at least 40Hz for a smooth GUI experience (optional).

---
